

Furniture Assembly Service

Because sometimes it's nice to have someone put your furniture together.

Furniture Assembly Service Pricelist

Zone 1

Service	Cost
Assembly of products worth up to €2.500	10% on the initial product value
Special rates for assembly of products worth over €2.500*	7% on the extra sum of the initial value
Installation/mounting of products, such as: blinds, curtain rods, rails, frames, mirrors, shelves and suspension rails	€8/piece
Minimum charge of visit	€28.50
Disassembly of IKEA furniture	€15/piece
Disassembly of furniture from the As-Is Department inside the store	€10/piece

Additional charges per zone

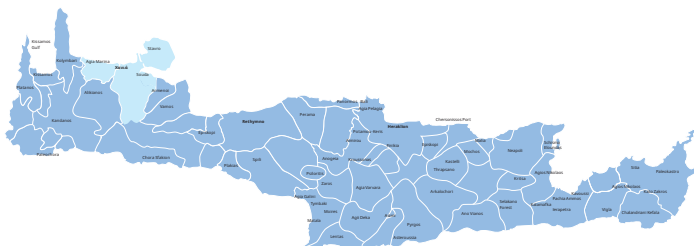

Zone 2

€50 per day

Zone 3

€85 per day

*Example: for products of €3.000 value, the cost of assembly amounts to €250+€35=€285

Terms of use

1. All above listed prices include VAT 24%.
2. Furniture must be located at the space where they will be assembled, which should be clean and free of small objects.
3. The assembly crew does not handle the transport of goods between floors and different spaces.
4. The Consumer is not obliged to pay if the notice of payment is not received (receipt-invoice)
5. The assembly charge for products purchased from the As-Is Department or with a discount is calculated based on their initial value.
6. In case the works are interrupted not due to the service provider's responsibility, but upon request of the customer, a minimum visit charge of €28,50 or charge of the corresponding zone applies.
7. For a large volume of products for assembly in remote areas or islands, the service members may need to stay overnight; all costs of accommodation shall be borne by the customer. The customer shall be informed in time about all the charges.
8. For furniture assembly on islands, any ticket costs are covered by the customer.
9. The assembly crew does not undertake electrical and plumbing works.
10. The assembly crew can undertake mounting works exclusively to a wall for products which require mounting. The crew does not undertake mounting works on materials such as plasterboard, metal, aluminium, tiles and on the ceiling.
