Terms of use

- Charges are calculated based on weight and Zip code of your area, regardless of the floor.
- For areas that our delivery company cannot reach, IKEA products can be transferred to the transport agency of your choice. Charges are calculated and communicated to the customer by the transport agency.
- For deliveries with a transport agency chosen by the customer, charges are calculated based on the weight - volume of products. The remaining delivery costs until the final destination are determined by the transport agency and communicated to the client.

- Only in Zone 1, you can benefit from kitchen delivery at the special price of €59.
- The Consumer is not obliged to pay if the notice of payment is not received (receipt-invoice).
- The listed prices include VAT 24%.
- Please let us know of any accessibility issues regarding your delivery destination, such as lack of elevator, road or construction issues which may limit the truck etc.
- IKEA products are delivered only in their original package.
