Notes:

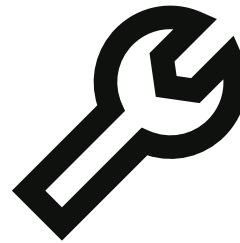

1. All above charges include VAT 24%.
2. The Consumer is not obliged to pay, if he/she does not receive payment notice (receipt-invoice).

Notes for the installation works:

1. The minimum charge for kitchen installation visit is €100.
2. The charge for a second visit, due to customer's responsibility, is €80.
3. The charge of a second visit for the installation of the finishing strip is €30.
4. The charge applies to the kitchen design agreed with IKEA. Special interventions/constructions are charged by a separate price list upon agreement with Service One.
5. In case the works are interrupted not due to the service provider's responsibility, for each additional day that will be required to complete the work, there will be a second visit charge and a corresponding zone charge.
6. The appointment for your kitchen installation will take place within 5 working days for zone 1 and upon agreement for the rest of area zones.
7. Whenever it may be necessary for the service members to stay beyond one day, there will be a 2nd day charge. All costs of accommodation shall be borne by the customer. The customer shall be timely informed about all the charges.
8. For installation works on islands, any ticket costs are covered by the customer.

Notes for electrical connections:

1. A travel allowance of 0,37€/km from and to the technician's office to the customer's address applies deducting 10 km.
2. The cost of any extra consumables necessary for the connection of appliances to power supply is not included to the original charge (e.g. extension cords etc.).
3. Travel and accommodation costs, for islands and places of difficult access where no technician is available, shall be borne by the customer.
